

WARRANTY STATEMENT

FUSION FIRE SYSTEMS SUPPLIED PRODUCTS

This warranty statement covers all products supplied by Fusion Advanced Fire Systems Pty Ltd. It is valid from 1st January 2019 and ongoing unless specified.

All products supplied and paid for as per our standard conditions of sale are covered under a 3-year warranty.

This warranty allows for a direct replacement of the product provided the following conditions have been observed:

- The product has been installed according to the instructions provided by us.
- The product has been installed in the environment for which it was designed.
- The design location and installation of the products is in accordance with the current Australian Standards.
- The product has been maintained as required by the current Australian Standards.

This warranty covers parts only.

Authorised by the Managing Director,

Richard Hitchman
